INVESTMENT PROJECT PROFILE

	
Project title	Center for culture Competence
Location	City of Kastav
Project leader Ownership	City of Kastav
Developed documents	Project documentation: • Architectural concept design
Project description	<p>The project is based on the strategic orientation of Kastav as a “creative city”, a city where creative activities have a significant share in the creation of new values and workplaces. Kastav is a city that produces cultural and creative products and therefore the objective is to build the infrastructure for cultural and creative industries that will stimulate such activities by using cultural and historical heritage for economic activities. Kastav is a city that develops cultural tourism, organises important events, and the focus is on the sector that includes hotels and restaurants.</p> <p>The centre of competence for the research of Chakavian culture consists of three main components/units:</p> <ul style="list-style-type: none"> • Infrastructure for the future centre for the research of Chakavian culture and cultural and historical heritage, and the incubator of cultural and creative activities – around 50% of the total area • Premises for public amenities intended for the citizens of Kastav – around 30% of the total area • Premises for commercial contents (commercial premises, hospitality, smaller hotel/hostel with around 30 rooms and public garage) – around 20% of the total area
Estimated value of the project	5.400.000 EUR
Realization model	Open negotiation options
