

INVESTMENT PROJECT PROFILE

Project title	International multipurpose Shooting center - Grobnik
Location	Municipality of Čavle
Project leader	Primorje-Gorski Kotar County
Ownership	Republic of Croatia, Ministry of Defence
Developed documents	<p>Physical planning documents:</p> <ul style="list-style-type: none"> the Project is in compliance with the Physical planning documents <p>Project documentation:</p> <ul style="list-style-type: none"> the Preliminary Technical/ Engineering Solution for the construction of the International Shooting Centre Grobnik
Project description	<p>The Grobnik Shooting and Multipurpose Centre would allow the operation, training and organization of shooting competitions in compliance with such standards that would meet all international and Olympic standards, as well as organizing shooting competitions such as Mediterranean Games, world and European championships, international, national and local competitions etc. Its surface area of approximately 65 ha offers all shooting disciplines at one place, including crossbow as a new discipline and archery (bow and arrow).</p> <p>The Grobnik shooting centre will comprise 9 fields for flying targets has been planned for, 2 fields for clay pigeon launching, 2 racing wild boar fields – MK 50 m rifle, and two moving target fields for 10 m air rifle. Also, shooting ranges have been planned for international and national disciplines (300 m rifle, 50 m rifle/gun and 25 m rifle), national disciplines (VK 100 m rifle, PAP 100 m, MK serial production rifle and ZP 10 m) and for non-standard disciplines (dynamic shooting). The construction of 500 seats for spectators is planned in the final phase. The existing shooting distance (shooting line) of 800 m would be kept during Project implementation (in order to allow Croatian Army and Ministry of the Interior staff training).</p>

Estimated value of the project	24.000.000 EUR
Realization model	Based on an agreement of the Ministry of Defence, the Ministry of the Interior and the Primorje-Gorski Kotar County, the terms of use and financing will be defined for further negotiating options
