

INVESTMENT PROJECT PROFILE

Project title	Solvis Ltd. - manufacturer of photovoltaic modules
Location description	<p>SOLVIS is a photovoltaic modules manufacturer based in Croatia, in the City of Varaždin. SOLVIS modules are the result of the work of highly qualified workers on equipment of the highest quality, with first-class raw materials. The production capacity is easily expandable, as SOLVIS has sufficient space to double its capacity.</p> <p>Solvis has been present on the global market since 2009, with the objective of manufacturing an environmentally friendly and affordable source of energy and thus assuming greater responsibility for the well-being of the planet. Our products are the result of our own product development and research and have a 15-year warranty on quality and a 25-year limited warranty on output power. We work closely together with our customers to come up with the best solutions that will work to provide innovative system integration services. A most 50% of all installations in Croatia are made with SOLVIS products, which means we have significant experience with turnkey solutions as well.</p>
